Important High Holiday Service Information

So that we may experience the joy of worshipping together as one congregational "family" in our wonderful new facility, there will be only one congregation-wide service on Yom Kippur Eve (Kol Nidrei). This beautiful, meaningful service will begin at 8:00 pm on Wednesday, October 8. The service for the first day of Rosh Hashanah on September 30 is the only service that will be held in double session. Please check your tickets to verify the time of the service you will be attending. Please also look for a letter from Rabbi Michael White and Temple President Richard Laskey that will accompany your High Holiday tickets for more details.
